SpeeCo Post Hole Diggers

Model PD24450, Compact Post Hole Digger

SpeeCo's new Compact Post Hole Digger was designed for the growing number of subcompact and CAT 0 tractor owners. It boasts many of the same features as the larger CAT I & II tractor mounted post hole diggers. Ideal for drilling fence post holes, tree planting and other farm, home or ranch chores. Augers sold separately.

Standard Equipment:

- Auger rpm 180
- 2" diameter output shaft
- Drive shaft shear bolt protected
- Gear ratio 3:1
- Quick attach yoke to fit standard 6-spline PTO (completely shielded)
- U-frame & boom from H.D.
- Digging depth to 30"
